POSITIONING

The «Swiss Digital Ranking 2024» is a comprehensive overview of ICT companies in Switzerland. It contains information on the areas of activity, previous year's turnover and full-time employees based on company information, public data or estimates. The ranking provides insights into more than 20 market segments and replaces the previous «Digital Ranking», which focused on web technology and app development.

The «Swiss Digital Ranking» provides a comprehensive view of Switzerland as an ICT nation: from the overview to the most important and dynamic market segments in a differentiated view.

The accompanying reporting addresses current topics, including the question of how AI is changing IT, as we have known it for 50 years. The «Swiss Digital Ranking 2024» provides answers and provides insights into the most important players in the industry and the trending topics for 2024.

TARGET GROUP

- C-levels at user companies or their ICT managers
- All ICT investment managers in Swiss companies with 50 or more employees
- System integrators
- All providers and implementation partners of hardware, software, services, networks, consulting services
- Value-added resellers
- Value-added distributors
- BPO and BPM providers
- Intermediaries such as IT consultants, ICT consultancies
- Associations
- PR agencies
- Media

MAIN TOPICS

- Overall ranking of the most important digital companies in Switzerland
- Sector rankings in various categories from hardware and software to consulting and services
- Detailed rankings for exciting categories and submarkets
- Technology trends in artificial intelligence, cybersecurity, cloud and managed services
- Market trends in e-health, e-government and digital finance
- Skilled labor situation in Switzerland
- Political framework conditions
